The braille music transcriber in our Idaho prison program has decided to quit transcribing. This is unfortunate for many reasons, but I still need to get choral and flute music transcribed. I have found some pieces through NLS, but certainly not the majority. Please let me know of good sources for transcription. I know the Library of Congress puts out a document on Braille transcribers, but I'd rather get info from people who have used the services. Thank you.

Hello,
Patrick is pretty good. I've used him for exams, including part of my music degree.

Very best wishes,
Sandra.

Carol,

Thank you for such kind words about my transcriptions - you are a wonderful client!

Dana Ard and others,

I am a music braille transcriber who focuses on classical piano music. Contact me off list if I can be of service in that regard, and/or if you'd like me to proof read other types of music scores for you.

Blessings,

Christina Robertson
